5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Alumni are one of the most important stakeholders of the institution. Their association with the college helps in different ways. In order to involve alumni in the development of the college, the college has formed Alumni Association in 2018 under Societies Registration Act 1860. It is functional. It has been contributing significantly to the development of the college through financial and non-financial means. A good number of alumni have been giving their services in public and private sectors in different parts of India. However, they have not detached themselves from the college. They are intimately connected with it and interact with the faculties. They attend the Alumni meets organized by the college and actively participate in deliberations regarding future progress of our institution. They also give their objective feedback on the performance of the college. Our Alumni association always supports all our academic and administrative activities. Besides, they participate in different extension activities such as tree plantation, blood donation camps, NSS Camps, to provide training to NCC students etc.

At the time of construction of a new building in the college campus, our alumni assist the initiative in the form of donating building material like sand, gravel, cement, wooden material, etc. Some alumni who are contractors also give their technical advice at the time of a new construction in the college campus. Alumni who are engaged in the service regarding repairs and maintenance provide their services at concessional rates. As some alumni are active in political field and hold significant political positions, they speed up the government processes to work out the proposals of the college. They help to upkeep our playground by providing water tankers and rollers for leveling it at the time of sports events. Members of our alumni association who are working in cooperative banks and credit societies help our students to open their saving accounts and help our staff regarding banking services. Some of our alumni who have cleared competitive examinations and hold supreme administrative posts motivate our students through their talk organized by competitive examination cell. Additionally, in order to increase the health awareness among our students, our alumni train our staff and students in Yoga Camps. N.S.S. camps of our college are organized in nearby villages. During the camp, alumni help the college to conduct the camp successfully by providing necessary facilities. They also participate in cleanliness and hygiene campaigns of N.S.S.
